TYPICAL PROPERTIES

- Vapor Pressure: **N/E**
- Volatility: **N/A**
- Solubility: **Soluble**
- Specific Gravity: **0.80**
- Vapor Density: **N/E**
- pH: **N/A**
- Evaporation Rate: **N/E**
- Physical Description:
Clear, colorless mist/spray with pleasant fragrance

SAFETY CAUTIONS

- Store out of reach of children.
- Do not use or store near heat or open flame
- Exposure to temperatures above 120 F may cause bursting.
- Refer to MSDS for additional safety information.

HMIS RATINGS

CLEAN LINEN

Aerosol

DESCRIPTION:

CLEAN LINEN neutralizes all types of malodors, leaving a pleasant linen scent. Effectively eliminates odors caused by urine, feces, decay, rancidity, animals, fire, tobacco smoke, cooking and mildew. Each can neutralizes odors in up to 6,000 cu. ft. of space. This product is not a cover up but chemically destroys the odor molecule, thus eliminating offensive odors.

DIRECTIONS:

Close all windows and turn off air conditioning or heating unit. Place can on raised surface near middle of room. Spread paper or cloth directly below can for protection. To lock valve into open position for total discharge, press valve button all the way down, locking the catch. Then place fogger down and immediately leave the room. Do not disturb area for at least 2 hours. Ventilate room for 30 minutes before re-entering. NOTE: The valve can be operated to give short bursts of spray by lightly depressing valve and pointing can to area to be sprayed.

DO NOT use more than one fogger per room. DO NOT use in small, enclosed spaces such as closets, cabinets, or under counters or tables. DO NOT use in a room 5 feet by 5 feet or smaller; instead, allow fog to enter from other rooms. Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames, or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.) Call your gas utility or Management Company if you need assistance with your pilot lights. Do not use this unit in an area less than 100 cubic feet.
