

liquid cleaners/degreasers

Since 1927, Arrow-Magnolia has helped people solve their cleaning and maintenance problems with the finest products available today.

ARROW-MAGNOLIA
INTERNATIONAL, INC

SINCE 1927

CARBON-X MIL

LIQUID DESCRIPTION:

One of the best-known aviation cleaners in the world, CARBON-X has been trusted for decades by those who are serious about maintaining their aircraft. We now have a version that meets military specifications for aviation cleaning! This formulation meets MIL Spec (87937D).

It is a water soluble, biodegradable, nonflammable, nontoxic concentrate, which can be used in pennies per gallon dilutions to outperform other cleaners. It is safe to use on metals, electrical insulations, and most painted and plastic surfaces. It will pay for itself in virtually unlimited applications by replacing many obsolete degreasers with one all purpose cleaner.

DIRECTIONS:

-General Cleaning:

Use up to 20 parts of water to 1 part of CARBON-X MIL. Proper dilution can be determined through actual practice and use of the product. Can be applied with a spray gun, rag or brush hand application. On heavy build up a rag or brush will aid in cleaning. Just hose off and let dry.

-Steam Cleaning:

Prepare solution in tank by using 1 gallon CARBON-X MIL per 60 gallons of water. Actual use will determine final proper amount. Amounts of degreaser will vary with job. This degreaser will completely remove all grease and oil anodizing the surface to retard rusting. Will not corrode aluminum or aluminum alloys.

HIGHLIGHTS

- Premium Aviation Cleaner & Degreaser
- Non Flammable
- Non Hazardous
- Non Corrosive
- Meets MIL Spec 87937D

TYPICAL PROPERTIES

- Vapor Pressure: **31**
- Volatility: **91**
- Solubility: **Yes**
- Specific Gravity: **1.033**
- Vapor Density: **N/A**
- pH: **12.5**
- Evaporation Rate: **Slower than**

Ether

- Physical Description: **Clear Pink**

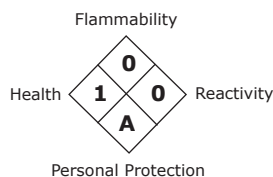

Liquid w/Soap Odor

SAFETY CAUTIONS

- Keep out of reach of children.
- Keep in original containers.
- Keep sealed when not in use.
- Refer to SDS for additional safety information.
