 - Vapor Density: **N/A**
 - pH: **N/A**
 - Evaporation Rate: **N/A**
 - Physical Description: **Colorless**
- Spray w/Mild Ammonia Odor**

SAFETY CAUTIONS

- Keep out of reach of children.
- Do not store at temperatures above 120°F.
- Do not puncture or incinerate containers.
- Refer to SDS for additional safety information.

HMIS RATINGS

DAZZLE

AEROSOL DESCRIPTION:

DAZZLE was created to clean and polish stainless steel and other metal surfaces without leaving a greasy or oily residue behind. The foaming action quickly penetrates through stubborn soils and is easily wiped off.

DAZZLE is a non-abrasive polish that cleans and provides a microscopic protective coating to protect the surface and resist finger printing.

DAZZLE works great for cleaning and polishing all types of metals including stainless steel, chrome, brass, aluminum, and even copper.

DIRECTIONS:

- Shake well before use.
- Remove protective cap and spray foam evenly over surface to be cleaned or polished.
- Wipe surface with a clean non-abrasive cloth or towel.
- Heavily soiled areas may require a second application.
