ARROW-MAGNOLIA
INTERNATIONAL, INC

SINCE 1927

HIGHLIGHTS

- Truck Cleaner & Brightener
- Economical
- Safe to Use
- Harmless to Most Finishes
- Free of Toxic Fumes
- Fast Working
- No Muriatic Acid

TYPICAL PROPERTIES

Vapor Pressure: **N/A**

Volatility: **N/A**

Solubility: **Yes**

Specific Gravity: **1.13**

Vapor Density: **N/A**

pH: **2.5**

Evaporation Rate: **Same as Water**

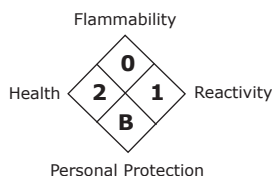

Physical Description: **Clear Nonviscous Liquid w/ Characteristic Odor**

SAFETY CAUTIONS

- Keep out of reach of children.
- Protect from heat, store in original container.
- Refer to SDS for additional safety information.

HMIS RATINGS

DRUM BRITE HD

LIQUID DESCRIPTION:

DRUM BRITE HD is a safe and effective chemical cleaner especially designed for the concrete, aggregate and cement industries. It is a combination of powerful agents that both removes concrete, film, soils, grime and oil while brightening the surfaces of your equipment.

DRUM BRITE HD is effective because it dissolves the carbonates which hold together the deposits on metal or painted surfaces. It is recommended for removing excess lime, scale, calcium, corrosion, scum and mineral deposits.

DIRECTIONS:

-DRUM BRITE HD may be sprayed or brushed on surfaces. Do not use on glass as it will be etched by this product.

-Dilutes up to 5:1 with water. After application, rinse off with BULLDOZER diluted with water for best results.
