

# misc. polishes/protectants

Since 1927, Arrow-Magnolia has helped people solve their cleaning and maintenance problems with the finest products available today.

**ARROW-MAGNOLIA**  
**INTERNATIONAL, INC**

SINCE 1927

## HIGHLIGHTS

- Restores Finish to Metals, Fiberglass & Plastics
- Protects & Polishes
- Zero Harsh Chemicals
- Safe on Most Metals
- Multipurpose
- Easy to Use
- MIL SPEC'ed product: MIL-C-5541, MIL-A-8625

## TYPICAL PROPERTIES

- Vapor Pressure: **N/A**
- Volatility: **N/A**
- Solubility: **Negligible**
- Specific Gravity: **1.09**
- Vapor Density: **N/A**
- pH: **N/A**
- Evaporation Rate: **-1**
- Physical Description: **Pink**

**Paste w/ Slight Ammonia**

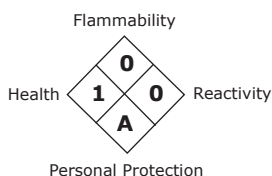

**Odor**

## SAFETY CAUTIONS

- Keep out of reach of children.
- Store in original shipping containers.
- Keep closed when not in use.
- Do not store below 32°F or above 130°F
- Refer to SDS for additional safety information.

## HMIS RATINGS

# FLASH

MISC.

## DESCRIPTION:

FLASH removes scratches and polishes metal surfaces, while leaving behind a protective coating that keeps the metal free of tarnish and oxidation stains. It is safe to use on painted surfaces as well as aluminum, brass, bronze, chrome, copper, gold, nickel and stainless steel.

FLASH works great on many industrial metals as well guns, knives, swords, boat hulls, bathtubs, countertops, stainless steel sinks and cookware, stove tops, refrigerators, kitchen appliances, and more.

Unlike other polishing creams, FLASH quickly delivers professional results but is formulated to be acid free, silicone free, odor-free, non-toxic and eco friendly.

Conforms to MIL-C-5541, MIL-A-8625, ASTM-F-483, ASTM-F-519, FED SPEC QQA-250/13, CSD #1 Type V

## DIRECTIONS:

-Like any metal polish, it is not recommended for use on plated metals.

-Stir and apply with a microfiber cloth to a clean, dry, dust free surface or spot, then rub gently in a circular motion and buff off immediately while polish is still moist.

-Metal: Apply with soft or dry cloth. Rub lightly until black residue appears. Buff with clean cloth

-Plastic: Apply polish with damp cloth. Buffing will remove light scratches.
