GRAFFITI REMOVER

AEROSOL DESCRIPTION:

GRAFFITI REMOVER is a non-chlorinated vandal marker remover specifically formulated to remove unsightly markings caused by ink, spray paint, ball point pens, pencil, crayons, markers, lipstick, grease, and scuff marks. Non-chlorinated solvent is perfect for use in enclosed areas such as restrooms, buses, locker rooms, and transit systems. GRAFFITI REMOVER can be used on most surfaces, such as steel, tile, glass, chrome, marble, porcelain, Formica, and most plastics.

DIRECTIONS:

Caution: Always test on an inconspicuous spot to pre-test surface. This product may affect some painted surfaces, asphalt tile, lacquers, varnishes, and some plastics.

Spray aerosol can 10-12 inches from surface to be treated. Let application stand for 30 or more seconds. Wipe off with a clean cloth, brush, or sponge. Stubborn stains may require a second application and use of brush. Rinse with water.
