HMIS RATINGS

KLEAN & BRITE

LIQUID DESCRIPTION:

KLEAN & BRITE is a heavy duty concentrated product designed for maximum performance and safety in cleaning trucks in concrete related industries. It will safely remove concrete film, rust, road grime, dust, soil, grease and oil.

KLEAN & BRITE is strong enough for the toughest jobs yet economical and easy to use.

KLEAN & BRITE is a non-hazardous, acid based product which reduces the harmful effects of harsher muriatic acids while still doing a great job on removing concrete and making your vehicles look great.

DIRECTIONS:

KLEAN & BRITE should be applied by proper spray equipment or applied by brush and bucket method on difficult areas. Brush agitation is always recommended.

KLEAN & BRITE should be used as is or may be diluted up to 5:1 with water.

After application, rinse off with BULLDOZER diluted with water for best results.

When equipment is completely clean, apply MIRROR KOTE for a beautiful "slick free" finish.
