- Store in original shipping containers.
- Shelf life of one year.
- Protect from extreme heat or open flame.
- Avoid breathing vapors.
- Refer to SDS for additional safety information.

HMIS RATINGS

LEMON 8

LIQUID DESCRIPTION:

LEMON 8 is a concentrated cleaner/stain remover specifically designed for the telecommunications industry. Its unique chemical properties address the eight most difficult plastic and/or metal surface problems: ink, adhesive, glue, magic marker, crayon, wax, lipstick and tar.

LEMON 8 is designed to be used on telephones, computer, keyboards, switch covers, interface plates and any other plastic or metal surface where high powered cleaning action and safety need to be combined.

LEMON 8 has been trusted for decades by the best telecommunication companies in the world for their equipment.

DIRECTIONS:

Apply with soft cloth. Rub area vigorously until surface is clean. For stubborn stains, a second application may be necessary.

For delicate plastics, LEMON 8 may be diluted 4 ounces to 1 gallon of water.
