- pH: **N/A**
- Evaporation Rate: **Slower than Ether**
- Physical Description: **Clear, Brown Liquid w/ Citrus Odor**

SAFETY CAUTIONS

- Keep out of reach of children.
- Refer to SDS for additional safety information.

HMIS RATINGS

MAGIC GROUT

LIQUID DESCRIPTION:

MAGIC GROUT is a concentrated grout cleaner that removes scum, stains, and surface soils with penetrating action to lift dirt and stains off the surface.

MAGIC GROUT penetrates into grout to remove most any unsightly stain or discoloration; algae, grease, lime deposits, soap scum, oil, mold, and mildew. Special bleaching agent will change all discoloration into a bright new surface.

MAGIC GROUT can also be used on floors, fixtures, wash basins, tile, tubs, and showers.

DIRECTIONS:

-Always test on inconspicuous spot prior to applying to full surface.

-Simply spray on grout surfaces with discolorations, soap scum, and surface soils. Brushing is recommended for heavy duty hard to remove soils. Avoid excessive inhalation.

-After surface has been brightened, rinse well with water. In a matter of minutes, MAGIC GROUT will have the area looking brand new. If your grout is discolored, this the product YOU need!
