NEW GENERAL TELEPHONE CLEANER

LIQUID DESCRIPTION:

An industry standard for over 50 years, NEW GENERAL TELEPHONE CLEANER is trusted by the largest telecommunications companies in the world for cleaning of telecom equipment. Removes grease, stains, gum, paint and grime without affecting the plastic or bleaching the color.

This product was designed for telecom equipment, but has a wide application for anyone needing to both clean virtually anything off of a plastic surface without damaging the plastic and leave a clean, reconditioned look on your equipment.

DIRECTIONS:

- Apply undiluted with a soft wipe on non-abrasive scrub pad. Allow surface to dry.
- Wipe surface clean and finish off with Arrow Magnolia's GLAYZIT Telephone Refinisher.
