SHINE UP

L 48

DESCRIPTION:

SHINE UP is a waterless detailer; an easy to use solution for virtually any vehicle that needs that finishing step to make it showroom ready. Leaves behind a protective coating that provides a "showroom shine" appearance while protecting the surface from sun damage and future dirt accumulation.

This product will not streak or spot and is long lasting in use.

DIRECTIONS:

☐ Simply spray on a cleaned vehicle surface via a trigger sprayer or pump up sprayer and wipe with cloth if desired.
