

Since 1927, Arrow-Magnolia has helped people solve their cleaning and maintenance problems with the finest products available today.

ARROW-MAGNOLIA
INTERNATIONAL, INC

SINCE 1927

HIGHLIGHTS

- Superior Truck Coating/Protectant
- Water Proof
- Prevents Rust
- Non Staining (Clear)
- Non Gumming
- Protects Costly Equipment in Outside Storage

TYPICAL PROPERTIES

- Vapor Pressure: **64**
- Volatility: **95%**
- Solubility: **Insoluble**
- Specific Gravity: **0.797**
- Vapor Density: **Heavier**

than Air

- pH: **1.8**

- Evaporation Rate: **Slower**

than Ether

- Physical Description: **Clear**

Liquid w/ Alcoholic Odor

SAFETY CAUTIONS

- Keep out of reach of children.
- Use under normal atmospheric conditions in well ventilated areas.
- Keep containers closed when not in use.
- Refer to SDS for additional safety information.

SIGNAL WORD: WARNING

HMIS RATINGS

SUPER COAT

LIQUID DESCRIPTION:

SUPER COAT is a perfected formulation of the Siloxanes designed to protect construction equipment. It is a clear, non-staining, water and weather resistant, non-gumming formulation.

SUPER COAT prevents rust as well as protects paint and costly equipment. SUPER COAT forms a base coating on the surface of the cab and body and prevents concrete, sand, gravel, salt, snow, lime, mortar, asphalt, etc. from adhering.

DIRECTIONS:

-Just spray on with any simple pressure sprayer and allow drying, then wipe with a soft cloth.

-Applying SUPER COAT is simple and easy; it is practically foolproof. Streaking or discoloration are impossible.

-To remove concrete deposits from your SUPER COAT protected trucks after use, rinse the truck with ARROW SOLV diluted with water from a pressure hose.

-Preparation of equipment: Clean grease, oil, dirt, etc. off with ARROW SOLV. Remove concrete with our concrete stripper. Allow equipment to dry thoroughly after rinsing with water.

-SUPER COAT dries to a slick, hard finish in about 15 minutes
