- Do not get in eyes, on skin or on clothing.
- Intentional misuse by deliberately concentrating and inhaling may be harmful or fatal.
- Refer to SDS for additional safety information.

HMIS RATINGS

ULTRA SOFT

LIQUID DESCRIPTION:

ULTRA SOFT is a safe yet powerful cleaner designed for use on most leather, velour, vinyl, plastic and canvas surfaces. It will remove lipstick, dirt, grease, hand prints, pencil marks and grime from all of these surfaces. The thick heavy foam clings to all vertical surfaces, allowing deep penetration of dirt, grease and grime.

DIRECTIONS:

SHAKE WELL BEFORE USING.

To prevent running, spray a heavy foam. Allow to remain on surface for a few seconds. Wipe off with cloth or flush with water.

For stubborn dirt and grime, agitate with a soft brush and wipe off or flush with water.

NOTE: Do not allow to contact or run on any painted auto surfaces. Flush off roof with plenty of water. Do not use on plastic transparencies.
